

## TOWN OF MILLBURY

### HARASSMENT OF INDIVIDUALS IN PROTECTED CLASSES:<sup>\*</sup> POLICY AND PROCEDURES

Adopted by the Board of Selectmen – June 6, 2006

#### Policy

##### Introduction

The Town of Millbury (the “Town”) depends upon a work environment of tolerance and respect for the achievement of its goals. The Town is committed to providing a working environment that is free of all forms of abuse or harassment. The Town recognizes the right of all employees to be treated with respect and dignity.

Harassment on the basis of race, creed, color, national origin, gender, age, physical or mental disability, sexual orientation or genetic information (hereafter referred to as “protected class harassment”) is a form of behavior that adversely affects the employment relationship. It is prohibited by Federal and/or State law. Protected class harassment of individuals occurring in the workplace or in other settings in which individuals of the Town may find themselves in connection with their employment is unlawful and will not be tolerated by the Town. The Town also condemns and prohibits protected class harassment by any applicant, client, vendor or visitor.

Because the Town takes allegations of protected class harassment seriously, we will respond promptly to complaints of protected class harassment and where it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate, including discharge.

It is important to note that while this policy sets forth our goals of promoting a workplace that is free of protected class harassment, the policy is not designed or intended to limit our authority to discipline or take remedial action for workplace conduct which we deem unacceptable, regardless of whether that conduct satisfies the definition of protected class harassment.

##### Definition of Protected Class Harassment

Protected class harassment refers to behavior that is not welcomed by the employee, which is personally offensive to him or her, and which undermines morale and/or interferes with the ability of the employee to work effectively. While it is not possible to list all of the circumstances that may constitute protected class harassment, depending upon the totality of the facts, including the severity of the conduct and its pervasiveness, following is a list of situations that could constitute protected class harassment.

- verbal abuse on the basis of any protected status;

\* Sexual harassment is covered by a separate policy, which has been issued to all employees.
